To whom it may concern,

I am writing this letter to express my interest in an elementary teacher position. Both of my children currently attend Burleson School District and have thrived academically. Each year has been a positive experience for them, as well as myself. I admire the leadership of their schools and district. I would proudly represent any Burleson elementary school as an educator.

Throughout my “corporate world” career, I’ve had the opportunity to work with many different people, personalities and cultures. This has taught me to adjust my methods and adapt accordingly depending on the clientele. I feel this will strongly translate within a classroom environment. I love working with children and feel this is my true passion. My strengths include being a team player, adaptable, creative and organized.

I am attaching my resume for your review. I have enjoyed Tarleton State University’s TMATE program and feel it has thoroughly prepared me. I’m highly interested in the open teaching position and would appreciate the opportunity to meet with you. I’m qualified, ready and excited to put my knowledge to use! Please feel free to contact me at 682-209-0100.

Best Regards,

Christie Riddle
